Study Outline

The Bible study will be a final review of the life of Joseph, looking at four articles of clothing mentioned in his story. The experiences of Joseph linked to these clothes remind us of the Lord Jesus, and teach us how we can also live as overcomers.

1. Coat of many colours (37:3, 23, 31-33): **favour / overcoming rejection**
2. Slave garment (39:12): **humility / overcoming temptation**
3. Prison suit (41:14): **suffering / overcoming disappointment**
4. Fine linen (41:42): **exaltation / overcoming success**
